

European
Mobility
Week

CHARTER 2006

European Mobility Week European Car Free Day "In town without my car!"

We the undersigned hereby declare that:

- > we shall join in the European Mobility Week starting Saturday 16th and ending Friday 22nd September 2006 by:
 - ☐ organising a week of activities, taking in account this year's focal theme "Climate Change".
 - ☐ implementing at least one new practical measure that is made permanent in the local authority and which contributes to modal transfer from the private car to sustainable modes of transport and to a more sustainable urban mobility in general.
 - ☐ organising "In Town Without My Car!" event during the Mobility Week, preferably on the 22nd of September.
- > we shall join in the "In Town Without My Car!" event by:
 - ☐ setting aside one or several areas that are reserved solely for pedestrians, cyclists and public transport during the entire day (i.e. from at least 1 hour before to 1 hour after normal working hours), i.e. at least one street that is normally opened to motorised traffic.
 - ☐ organising it on Friday 22nd September 2006.

Mayor of

Mr/Ms

In committing to all three criteria for the European Mobility Week, or to both criteria for the "In Town Without My Car!" event, local authorities become participants to the respective events. In committing only partly, local authorities will be considered supporters to the events.

European
Mobility
Week

CHARTER 2006

List of events:

As mentioned within the specific guidelines, each local authority will organise the European Mobility Week around the theme “CLIMATE CHANGE” and it is highly recommended to organise the “In town without my car!” day on the 22nd of September, with the challenge of organising it on a weekday.
